Are you or is someone you know looking to adopt a pet?

Bonnie is looking for a new home

Hi, I am **Bonnie,** a 3 year old, tan and white, female terrier mix. I am only 45 lbs, and was rescued from a kill shelter in New York City. I now live in NJ and would love to find a family that will let me sit in their laps and snuggle for hours!

I have two foster canine brothers that I live with. I get along great with them and I am also good with children!

My vet has made sure that I am a very healthy girl. I am spayed and up to date on my shots. I am housebroken and I have a very even temperament. I have absolutely no food or toy aggression at all. I'm a very happy girl with no medical concerns or allergies!

After my rough start in NYC, won't you be the family to cuddle me and love me, forever!

Please contact Donna at (973) 945-9969 for more details and to arrange a time to meet me.

Companion Animal Advocates' Home2Home Program aims to re-home pets, bypassing surrender to shelters or rescues and avoiding trauma to both pet and owner.
